SAT

Prep

Learning about library resources to help you prepare for the SAT test. Free & open to all students.

**Monday, April 2
7:00 PM**

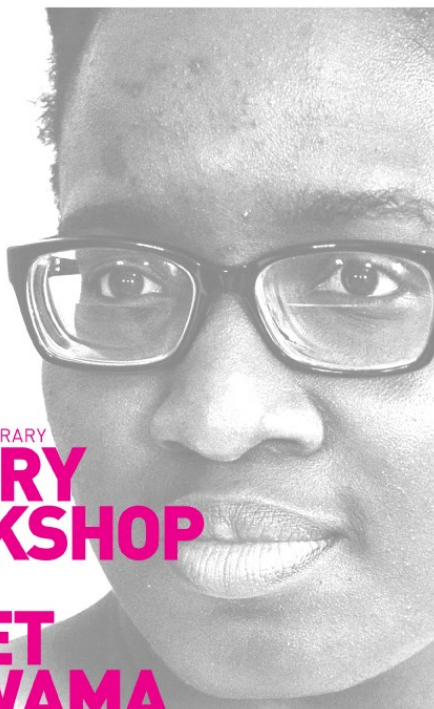

girls who code

Learn computer programming in a safe & supportive environment of peers & role models in this series for young women ages 13-18.

In each meeting, participants will build on the skills learned from previous weeks.

girls who code is a national nonprofit organization dedicated to closing the gender gap in technology and to help young women see themselves as computer scientists.

Registration is required. Please call 736-7030.
